QUALITY TOOLING SOLUTIONS FOR THE INDUSTRY

View our online catalogue at www.arindustrialcatalogue.co.za

Since 2003 AR Industrial has excelled in becoming one of South Africa's leading Industrial Supply Companies. Specialising in Engineering Tools, Power Tools, Welding Equipment and Consumables, Abrasives, Safety Equipment and Clothing, Construction Equipment, Industrial Machinery, Mining Equipment. To the Construction, Manufacturing, Mining, Engineering, Fabrication, Petro Chemical, Oil & Gas and Power Generation.

Importers and distributor of quality welders and operators work gloves and welding Consumables.

Our entire staff is highly trained with over 30 years combined engineering experience. The AR Industrial team is a powerful and motivated combination of a highly knowledgeable outside sales group with an inside sales staff that offers excellent in-house technical support in the engineering, construction & welding industry.

Teaming technical expertise with superior service, it is our mission to achieve complete customer satisfaction while delivering quality products, both standard and special, at competitive prices from reliable sources in an expedient manner. From the D-I-Y enthusiast to the largest contractor, our friendly sales staff will make sure you get the right tool to get the job done!

AR Industrial continues to be your industrial tool supplier serving Gauteng and beyond. We provide our customers with quality tooling solutions and competitive pricing.

As part of our growth strategy, we have extended our services throughout the African Continent. AR Industrial has established an Export Division which focuses Solely on the Mining & Engineering Industries.

AR Industrial is a 100% Black Owned Industrial Supply Company With a Level 2 BEE Status

INDUSTRIAL PPE - LEATHER GLOVES

CE  **EN 420**

Candy Stripe Leather Handling Glove

A Durable, hardwearing general handling glove made from high quality cow split leather. Lightweight & economical. Cow split leather palm, thumb, back, knuckle, pull & tips Half cotton lined.

Applications: General handling operators gloves

Order code - 200105

CE  **4132 EN 420**

Superior candy rigger leather glove

A hardwearing superior candy rigger glove made from high quality cow split leather. Wing thumb, rubberised cuff, reinforced double palm thumb & index finger for extra protection and durability. Safety cuff and knuckle bar for added protection.

Applications: General handling, rigging operations, Construction Fabrication, Maintenance and Mining.

Order code - 200110

CE  **3143 EN 388**

Chrome leather gloves double palm

A Grade quality heavy duty all-chrome leather glove. Tough and durable, Reinforced double palm and thumb. Perfect for tough industrial jobs, either indoors or outdoors. Available in wrist and elbow length

Applications: General handling, assembly, Construction, Fabrication Light Welding, Maintenance and Mining.

Order codes:
50mm 2" - 200115
200mm 8" - 200120

CE  **EN 388 4144**  **EN 407 413X4X**

Green Lined Welding Glove

High quality cow split leather glove with a cotton fleece lining. These gloves provide excellent protection against heat and welding sparks. Perfect for tough welding jobs. Perfect for MIG and ARC welding application. Available in wrist, elbow and shoulder lengths.

Applications: Welding, Construction, Steel Fabrication Maintenance, Mining and Foundry.

Order codes:
50mm 2" - 200125
200mm 8" - 200130
400mm 16" - 200135

INDUSTRIAL PPE - LEATHER GLOVES & CLOTHING

Red Heat Resistant Gloves

Red Premium Heat Resistant Glove with Apron Palm.
The Heat Resistant Glove is fully lined and sewn with KEVLAR®
Very good resistance to abrasion, tear, puncture and heat.
Perfect for tough high heat welding jobs.
Apron Palm provides increased thermal protection.

Applications: Welding, Foundry, Construction, Steel Fabrication
Maintenance, Smelter Work, Mining and Foundry.

CE EN 388 EN 407
4144 413X4X

Order codes:
200mm 8" - 200140

Tig welders glove vip

Excellent fit and feel for precision TIG welding.
Providing the highest degree of comfort, flexibility, as well as
abrasion resistance with shirred elastic back and wing thumb.

The **EVERLAST** TIG glove is designed for dexterity, durability and
comfort for soft touch tig welding.

Applications: TIG Welding, Construction, Material handling.

CE 4143 EN 388

Order codes:
50mm 2" - 200145

Chrome Leather Aprons

Apron are manufactured from very high grade leather providing
excellent body coverage for welding, grinding and tough applications.
It is designed to give protection from chest to knee.
Neck and waist straps are fully adjustable with a quick release buckle.
Leather is a extremely strong wearing and protects your workwear
not only from the hazards of welding but also abrasion, fluids and
general wear and tear.

Order codes:
60 x 90 1PC - 200150
60 x 90 2PC - 200155
60 x 120 - 200160

Chrome leather spats

All leather welder's spats are manufactured from the finest
hand picked leather hides for consistent quality and long wear.
They are designed to protect lower legs and shoes from welding spark
and spatter. The Spats are fully adjustable and are secured with Velcro.

Widely used in welding and Fabrication industries.

CE EN 470

Order code - 200165

INDUSTRIAL PPE - LEATHER GLOVES & CLOTHING

Chrome leather welders yokes

Made from heavy duty chrome split leather which is extremely durable, flame resistant and offers excellent protection from welding spatter. It is designed to protect the chest and arms from sparks and spatter. The leather is strong and flexible, and the special tanning process allows it to remain soft when continuously exposed to heat.

Widely used in welding and Fabrication industries.

Available from small to XXXL

EN 470

Order code: - 200170

CUT RESISTANT GLOVES

HPT

Ultimate Wet & Dry Grip
Order code: - 200190

HPT™ process creates a spongy, soft, durable, flexible coating that repels liquids to provide a firm wet or dry grip. Encapsulated air molecules provide an inherent vibration absorption feature.

Ideal for the shipping, plumbing, warehousing, materials handling and assembly industries.

4131

FLEX

Perfect Durability & Flexibility
Order code: - 200195

The all new Ninja Flex glove is an excellent all purpose glove. Features a 15 gauge, 100% nylon shell with a crinkle latex coating. Provides flexibility, elasticity, and Excellent general purpose handling glove that provides good abrasion and tear resistance. Can be utilised in the agriculture, recycling, shipping and durable goods industries.

3131

FORCE

Cut Level 5 Glove
Order code: - 200200

13 Gauge Dyneema/Synthetic Fiber/Fiberglass shell with gray Polyurethane coating providing up to 20 times better cut resistance than Aramid-based spun yarn. Excellent light weight cut-resistance glove that provides abrasion, tear and puncture resistance. Mechanical operations, motor industry and glass and ceramic industry.

4542

LITE

Extreme Tactile Sensitivity
Order code: - 200205

Ultralight Fashion grade Nylon shell with feather light Polyurethane coating. Excellent wet, dry & light oil grip. Approx 30% lighter than traditional Nylon/PU gloves, providing unparalleled tactile sensitivity. Excellent glove that provides grip and feel in daily handling tasks. Ideal for intricate assembly processes such as optics, microprocessors

3121

X4

Economical Cut Protection
Order code: - 200210

13 Gauge Synthetic Fiber/Fiberglass shell with Bi-Polymer coating providing unsurpassed softness and durability. Economical & Effective Cut Protection. CE/EN 388 Cut Level 4

Excellent economical cut-resistance glove that also provides good abrasion and tear resistance. Glass industry, canning and automotive assembly.

4431

STAR

Cut & Splash Protection
Order code: - 200215

Fully coated 27cm gauntlet Dyneema/Synthetic Fiber shell with Bi-Polymer coating providing unsurpassed softness and durability.

Excellent cut & splash protection with good tear and puncture properties. Agriculture, fishing, sheet metal, glass handling and waste disposal.

PVC GLOVES

A fabric reinforced PVC Dip coated PVC. The front section of the liner is made with light weight Normac and the back section is made with Interlock cotton.

General Red Pvc
Wrist 200220
Elbow 200225
Shoulder 200230
